

I can't help but start off with this message mentioning the past summers' Wednesday night cruises. We have gained members and allowed not only our members to enjoy cruising, but think of all of the children, grandchildren, wives, husbands, fathers and mothers, aunts and uncles etc, that have enjoyed our cruises and still are enjoying them. I get compliments every day (almost, but every week) about how much the town folk are enjoying this cruise schedule. Thanks to all who are able to participate and enjoy the Wednesday evenings.

Thursday night, September 3<sup>rd</sup>, we will have our monthly meeting in Roosevelt park at shelter 16 by the tennis courts. 7:30 meeting with a 6:30 Board meeting. Social distancing will be encouraged as are masks for those who feel the need. The club will supply iced down sodas for all to enjoy.

Motor Magic weekend will be special for us. People will come to see the cars on display. The committee has been working hard to make this year's MM as good as it gets with some new show semi tractors and a few other new items. Be sure to come and see this great event. Some of you have volunteered already, but we still have the need for a few more.

Then the 26<sup>th</sup> annual Season Finale, September 18, 19, and 20<sup>th</sup>. Thursday night, and Friday morning are registration at "the Clarion Hotel by the fairgrounds. Then off for a nice cruise to a few small towns and some great unusual photo shoots. Then Friday night will be the Hot Rod Rodeo at the Kevin Huewe's grounds, just S. of Kroll's diner. This evening will be fantastic. A special "Semi tractor trailer burn-out" is planned along with our usual balance beam, muffler wrapping and more. Then it's Saturday morning...we will be on the downtown streets of Minot for a car show. This will go to 2:00 at which time we will be going to several garages for the ever interesting views of these special places. Then the evening banquet will be held at the "Dakota Territory Air Museum" (just North of the Minot international Airport) where there will be the awards ceremony. Food trucks will be there for dining if you wish. After that, we will close out the weekend at the Clubhouse on Sunday morning for a catered breakfast by Dean of the Homesteader Restaurant. Egg bake, coffee, OJ, and more. We have arranged for this meal at no cost to registered members/participants of this Finale. 8:00 till 11, I believe. For a more accurate schedule, stay tuned. Cost of this weekend of activities is only \$10 per car. For all! A lot have already paid!!!

So, with that, please help spread this word.

Thanks to all,

George
